

# Class Percussion Budget Pack

**Manufacturer:** Drums for Schools

**Tel:** 0800 157 7686

**Web:** [www.drumsforschools.co.uk](http://www.drumsforschools.co.uk)

**Price:** Educational price £149.00.  
RRP £212.86

**Age range:** 6 years +

**Description:** Satisfying the requirements of the national music plan, each pack contains 30 instruments and a teacher's guide which includes preparation advice, warm ups, lesson plans and six tunes from around the world. The guide has been written for teachers from any discipline and takes teachers and pupils from basics through to their first performance.

**Score:** 95.0%

**What the testers said:** "An absolutely fantastic selection of instruments suitable for a range of ages. Our music coordinator was bowled over with the quality and durability of the instruments. The children were very interested in the new

instruments and enjoyed the patterns and colours as much as making music. The book was very useful containing lots of information and the storage was handy."
